

Gum

CupcakKe

I grew waves on the twat since the pussy so wet
Call him Blueface, he be givin' long neck
Don't act like a groupie in the pussy, wrong chat
Hit that James Charles, paint my face a Monet
So let me suck them balls, open my jaws
Pussy so cold, it gotta unthaw
Fuck up my throat then buy me some halls
Only in his drawls if he makin' withdrawals
I squat on that dick like I'm up in the public
Bathroom and don't wanna sit on the stall
This mouth talkin' on your private like a star six seven call (Ah)
Ooh-ooh-ooh, I'm 'bout to seduce him
I'm gettin' head like snakes on Medusa
Come on, daddy, come make me looser
I wanna see what that cockadoo rooster
Whack me all in the face with the dick
Beat it on my lip, yeah, the sex is wild
And that's code for three talented kids when I say I swallowed Destiny Child
I looked down and didn't know what to say (Why?)
'Cause the pussy so bald, it need a lace front from Tae (Mm)
And it's gon' get wet so let me go and cop a towel
'Cause if the dick head long, we call that dick Oscar Proud (Hahahaha)
Spank me daddy, I'm actin' out
Teach me somethin' like a cap and gown
Eat this pussy, start smackin' loud
Run it like Floyd vers' Pacquiao
Eat my ass and I suck yo' dick
Go and hit the head like pass the crown
And I'm only smoking black dicks, we call that a Black and Mild

But oops, last night this nigga couldn't pull out
Because I accidentally sucked his dick with gum in my mouth
I said oops, last night this nigga couldn't pull out
Because I accidentally sucked his dick with gum in my mouth

So it got stuck, stuck, stuck (Ah)
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck, I had to suck it all off
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck, I had to suck it all off

Good pussy, yeah, who you telling?
So big that it got me yelling
Dick crash right through my walls, shit look like 9/11
Doors locked, yeah, I'm a felon
Pussy wetter than a watermelon (Fuck me)
Say the pussy talk so much, it need a talk show like Ellen
Coochie tight when he got up in it, when he done it looked like a hula hoop
(Ah)
Swallow balls and dick at the same time is what I'm 'bout to do to you
Titties bounce in your face while I'm ridin' dick, lookin' so beautiful (You like it?)
I want you to nail this pussy all the way to the cuticles
Now fuck me on the rooftop (Ah), listenin' to Guwop (Ah)
Dick biggie, pussy smalls, but we fuck with 2Pac (Ah)
He say he don't do pop, only drink the juice box

We ran out of condom so I made him use a new sock
Man, stop fuckin' with me, you bitches is shitty
I pull out a titty, his tongue get busy
I don't want a hickey, it's time to get litty
Cat's cleaning they ass, he lickin' the kitty
Give you the head then give you the tail
It feel like I'm flippin' a muhfuckin' penny
Nut in my mouth right in front of the TV
So your unborn child know it's time to watch Disney

But oops, last night this nigga couldn't pull out
Because I accidentally sucked his dick with gum in my mouth
I said oops, last night this nigga couldn't pull out
Because I accidentally sucked his dick with gum in my mouth

So it got stuck, stuck, stuck (Ah)
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck, I had to suck it all off
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck (Ah)
Stuck, stuck, stuck, I had to suck it all off

I'm choking
