CupcakKe

Huh, huh, huh, huh
That's a big fucking dick

Running through the, running through the, running through the woods
It's running through the motherfucking woods
Running through the, running through the, running through the woods
It's running through the motherfucking woods
Said my period, just came down, what the fuck? But let's get this understood
Tonight, I'ma fuck around and turn that dick to Little Red Riding Hood (What

This nigga, this nigga, this nigga here was a motherfucking thug
This pussy don't gangbang, but it accidentally turned that Crip to a Blood
I don't give a fuck
Pussy so mean, fuck around, hold a grudge
Pooh Shiesty to makeup sex
'Cause I know this nigga finna get it back in (Woah)
Oy, that boy, that boy cry wolf
Dog on the pussy 'til that bitch say, "Woof"
Lay down the towel if you want you some puss
Medium rare, he eat it up uncooked
Pest control, this cat is off the hook
Reincarnate my throat to the wolf
I could swallow kids, but grandma can't look
So that big bitch had to go, I'm shook

Little Red, Little Red, Little Red, Little Red, Little Red Riding Hood
Who needs tampons when you got a big dick? Stick it up my shit, you good (Ye

I smell cat, cat, cat, cadat
Niggas said they won't, but he in that crack
Dick showing up, it don't know how to act
Look like tomatoes, tomatoes when I'm throwin' it back
Blood everyone, nigga don't know how to react
But I don't give a fuck, nigga gotta adapt
Pussy need more flavor, hittin' it from the back
So ketchup, when you get it behind, it's on track
Two by, nigga, two by four
Use your wood to stretch that pussy to an O
That's how you spell it here with a typo
'Cause if your bank account missing zeroes, I can't go
Where the fuck is grandma? That bitch got deepthroat
Where the fuck is his dick? It's having a heat stroke
'Cause the pussy so warm, it's matchin' a mink coat
I water his pubic hairs, I'm upping his tree growth
