The ruger got a bad vibe to it like it's been possessed by a demon
In yo hood I'm flying through hood strings without tying shoes
Wonder what my rhymes do get double money like times two
On a mission while I'm on the bike smoking niggas but I'm not a hike
Stay strapped up to put a bitch to bed, but I'm not talking like a dike
My woes with me no OVO you don't wanna go toe for toe
Have your soul in the air like a roller coaster
Bitch I'm too much like a overdose

When I clean niggas out know it's me
Back the nigga up like OC3
None of the cops notice me
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD
I'm a come at where you be
And just clean niggas out OCD

Everybody claim they know me
Cause I stay with bread like baloney
They say one thing but they phony, so I gotta keep it on me
Nigga run now or run later
All about my money like a fundraiser
Metal wound his tongue, bitch I'm busting lungs
Choppa got his entire gums flavor
On it, my opponent shorty, think twice you don't want it
Even when I know you dead
One mo to the head shots giving you a bonus
Wack his ass got my shirt messy, animal dead
Then my fur ready I'm a cold bitch that get sweet at times Damn nigga that's
Burberry
If I ever feel like I'm at risk, just split his ass like banana splits
Check him for the cheese, mozzarella swiss
Got him nervous now this goofy got the shits
Fake friends, really don't need those
Only come around when shit hot like mosquitos
Make him fold up like burritos
Gave him a chip tooth no Tostitos

When I clean niggas out know it's me
Back the nigga up like OC3

None of the cops notice me
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD

And just clean niggas out OCD
When I clean niggas out know it's me
Back the nigga up like OC3
None of the cops notice me
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD
Cause I cleaned the trigger OCD
I'm a come at where you be
