

Queef

CupcakKe

Twinkle, twinkle, little star
He gon' make this pussy fart
Up above a fuckin' thigh
That nigga gon' be smokin' on queef tonight

Pussy getting buried, pussy getting buried
Head between my legs, I took a pic, obituary
Pussy getting buried, pussy getting buried
It took his last breath when I just queefed, now I'm a fairy
Killing the pussy, killing the pussy, killing the p-pussy
He smokin' on his dead opps tonight when he smoke on this queef
Killing the pussy, killing the pussy, killing the p-pussy
He smokin' on his dead opps tonight when he smoke on this queef

Take a puff, puff, pass the blunt
Eat this ass, then fast a month
Nigga so full, come flash and run
Right down my throat, then I gag it up
Got a little bitty twat, so I gotta let it breathe
Chucky the pussy, stab me with that D
I get him hot when he smoking on me
Gemini, but it's an Aries breeze
Ooh, ooh, ah, ah, ooh, ooh, ah, ah
I'ma go ape on that motherfuckin' cock, cock
Peel the foreskin off banana 'til it's rock, rock
Stay in the dick face, that's how I cockblock
This type of queef fly a nigga out of town
Three little pigs, I'ma blow his wood down
Goddamn, why I gotta queef so loud?
Rice Krispies is the way that it sound
Gonna throw it, throw it, throw it, throw it back
You could call me Jill 'cause that dick, I'ma Jack
Nigga treat it like a heist, bust all in that
This a Yeezy shirt, I keep holes, that's wet
I said, up at night like Jake from State Farm
Imagine if I queefed and he yawned
Thought she had him on lock, bitch dumb
The way he cheat, he must have post bond

Twinkle, twinkle, little star
He gon' make this pussy fart
Up above a fuckin' thigh
That nigga gon' be smokin' on queef tonight

Pussy getting buried, pussy getting buried
Head between my legs, I took a pic, obituary
Pussy getting buried, pussy getting buried
It took his last breath when I just queefed, now I'm a fairy
Killing the pussy, killing the pussy, killing the p-pussy
He smokin' on his dead opps tonight when he smoke on this queef
Killing the pussy, killing the pussy, killing the p-pussy
He smokin' on his dead opps tonight when he smoke on this queef
