

# Rumble

CupcakKe

When a nigga ain't humble I give him the rumble  
When a nigga ain't humble I give him the rumble  
Get low

Wanna rumble rumble in the jungle jungle leave a bitch with 50 deep scars  
When I push it back I be ready to clap like concrete I blow hard  
Wanna rumble rumble in the jungle jungle leave a bitch with 50 deep scars  
When I push it back I be ready to clap like concrete I blow hard  
Better run run run run fast nigga  
Better run run run run fast nigga  
If I catch you that will be your ass nigga  
Drop down suck a dick don't gag nigga  
Better run run run run fast nigga  
Better run run run run fast nigga  
If I catch you that will be your ass nigga  
Drop down suck a dick don't gag nigga

I got the Mac-10 on me and it's ready to trigger on a bum bitch  
Or a motherfucking bum nigga  
Drop your jewelry in a bag I'm finna flip it to figures  
See Floyd Mayweather he ain't got shit on my hittas  
We turn yo body upside down like we looking for change  
Man down, man down if you up in my range  
I'm like an arsonist bitch I'm finna bring that flame  
Like a nerd with drug dealers little bitch couldn't hang  
I smacked it on her like a bitch putting on her makeup  
Stomp her face send a match its an alarm bitch wake up  
It's a bullet through her I can see that she lit up  
One to the head and the homie gone give up  
Fed catching me that's never never  
I keep the block hot nigga check the weather weather  
Whack a bitch until 2015 real fucking clever  
Bullet flying west out her brain dead heffa  
On the mans, you need drop the fucking water gun  
Pick up the AK blow it like bananas son  
They throwing shade but they black ass fuck from the sun  
He got three fingers now and I ain't fucking done  
Tryna rap beef but you spit like the Migos  
Up in the booth eat em up like Doritos  
Bunch of new slaves they be dishing out kilos save me from fucking up rapper  
s my hero  
Chicago niggas, rob mo niggas take gold niggas pic fro niggas  
I do a driveby at the red light couldn't even wait to for go nigga  
Cause when that light turn green that nigga dead nigga  
Here come the feds talking homicide to the head nigga  
Head nigga head nigga head nigga let's get it

They like shorty from the Lowend she go in  
Leave a bitch with stitches I ain't talking bout no sew in  
Chopper in yo mouth like a dick bitch go in  
Empty out cho pockets let me see what you be holding  
He scared got the nigga shaking like jello  
Cocky ass bitch I walk in fuck a hello  
Twist a nigga tongue if he ain't talking bout the chello  
Make yo niggas leak blood Grim Reap mixed with devil  
I keep my pawns in check I only got one mission to make these niggas starve  
eat my pearls no nutrition

See I really do apologize you thought that was ketchup on yo fries  
See that was the blood from yo mother liver go take a look nigga see I just  
waited to strategize  
All of my niggas gone body yo body we chopping necks off like we into karate  
a monkey see monkey do  
Fuck you be talking to? make yo ass disappear right on a count or two  
Enough is enough see bitches be acting real tough so I'm a have to just have  
to Debo that ass on the pockets for cash then leave you looking rough  
Better watch who you talking to, fuck is you talking to? Shooting shit up li  
ke I don't give a fuck  
Enough is enough see bitches be acting real tough so I'm a have to just have  
to Debo that ass on the pockets for cash then leave you looking rough  
Better watch who you talking to, fuck is you talking to? Shooting shit up li  
ke I don't give a fuck  
Cause I don't give a fuck
