

Yawn

CupcakKe

Put me to sleep 'til the crack of dawn
Put me to sleep 'til the crack of dawn
Put me to sleep 'til the crack of dawn
Stretch this pussy 'til you make it yawn
'Til you make it yawn, 'til you make it yawn
Stretch this pussy 'til you make it yawn
Put me to sleep 'til the crack of dawn
Pussy yawning on yo' dick, yawning on yo' dick
It's contagious than a bitch, first my mouth and now my clit
Pussy yawning on yo' dick, yawning on yo' dick
It's contagious than a bitch, first my mouth and now my clit

Open up my mouth (Mm)
Open up my mouth (Mm)
Open up my mouth (Mm)
Come and get this yawn up out, ayy
Open up my mouth (Mm)
Open up my mouth (Mm)
Open up my mouth
Come and get this yawn up out

I'm making that dick go up on a hiatus
I open my mouth and I can't even say it
If I am a eater, I'm one of the greatest
Mukbang on that thang like my last name was Paytas
The pussy so fat, you may not wanna weigh this
Then cum down my throat, it would help me look ageless
Mouth, pussy, ass scream 666
Three hoes on demon time, not no atheists

Head now, thumbs up, on my mothafuckin' butt
Seven rounds, made him bust, fuck around, play seven up
Feel that shit in my gut, Snicker dick it's full of nut
Two dicks like a twist, if it ain't big, it double fuck

Put me to sleep 'til the crack of dawn
Put me to sleep 'til the crack of dawn
Put me to sleep 'til the crack of dawn
Stretch this pussy 'til you make it yawn
'Til you make it yawn, 'til you make it yawn
Stretch this pussy 'til you make it yawn
Put me to sleep 'til the crack of dawn
Pussy yawning on yo' dick, yawning on yo' dick
It's contagious than a bitch, first my mouth and now my clit
Pussy yawning on yo' dick, yawning on yo' dick
It's contagious than a bitch, first my mouth and now my clit

Open up my mouth (Mm)
Open up my mouth (Mm)
Open up my mouth (Mm)
Come and get this yawn up out, ayy
Open up my mouth (Mm)
Open up my mouth (Mm)
Open up my mouth
Come and get this yawn up out

This pussy water, this pussy water, this pussy water, bring skeets

It's so cold that my body froze so come skeet on my face
I said this pussy water, this pussy water, this pussy water, bring skeets
It's so cold that my body froze so come skeet on my face, ayy
Come skeet on my face, ayy
Come skeet on my face, ayy
Come skeet on my face, ayy
Come skeet on my face, ayy
