

3-6-9

Cupid

3, 6, 9 the goose drank wine the monkey chewd the tabacco on the street car line and the line broke and the monkey got chocked and they all went to heaven in a lil row boat clap clap

Lady and gentlemen am about to make you feel alright I've got the beat to move your feet plus I know just what you like, your hotter then a pepper

1, 2 stepper baby that is a shame you gotta keep it moving gotta keep it movin cause baby your off the chain

Now let me see you like a hanky panky am a turn around girl gonna do let me lay you down there are a couple of games I like to play by the time I do this is what ya'll day

3, 6, 9 the goose drank wine the monkey chewd the tabacco on the street car line and the line broke and the monkey got chocked and they all went to heaven in a lil roow boat clap clap [x2]

If you got a problem I don't wanna hear it just let it go all my lady's on the beat let me see you drop it to the floor

Fella's tkae a look around lady's are soo finee is goin down so get on up now act like your second on line

Actin like a rattle the way she movin faster then go slow like a dolla so maybe me n her can get to chewn like taboacco this old fashion talk but my thing is rather dather and plus I got my swagga like a pistol seen me everywhere but because I be on my gizzle that mean am on my grind all the time no matter how little her name is call me up meet you in a lil bit
So am tryn to see if she can clap clap

Independent women let me see you clap clap
Playa's in the building let me see you clap clap
Came to get it started let me see you clap clap
Came to have a party let me see you clap clap
