

Hang On In There Baby

Curiosity Killed the Cat

You know, we can't help but make it, oh honey
You know, we can't help but make it

Now that we've caressed
A kiss so warm and tender
I can't wait till we reach
That sweet moment of surrender
Oh we'll hear the thunder roar
Feel the lightning strike
At a point we'll both decide to meet at the same time tonight

Hang on in there baby, hang on in there darling
I'm gonna give you more than you ever dreamed possible
Don't be afraid baby, oooh no

Sweet virgin of the world
You know we can't help but make it
Cause there's true love between us girl
Hmmm! So let us touch that cloud
That everyone dreams of oh!
We're almost there darling, truly making love

Hang on in there baby, please don't let me down
Please don't destroy this new joy

What's that now baby, what's that you say
Something's eating at you and it's hard to get away
(Hard to get away)
Oh don't fight it baby, just open up the door
'Cause that's the key to the freedom that we've both been working for
Let it go baby, let it go darling
Oh, right there, right there
Baby don't you move it don't you dare
Go baby, let it go honey
Oh right there, baby don't you move it anywhere

Give it a stand up now fashion
Give it a jump up, give it a jam give it a pull
Give me a love, give me a little love

(Hang on in there baby, hang on in there darling)
Hang on in there now
(I'm gonna give you more than you ever dreamed possible)
Hang on in there, darling (Hang on in there baby)
Hang on in there baby (Please don't let me down)
Hold it down
(Please don't destroy this new joy)
New joy (we've found)
New joy we've found
