

## 100 Stacks Out of a Dime

Curren\$y

Keep the E in it  
Chevy's, I don't switch it, baby  
We smokin' weed in it  
Cardo Got Wings

Playa's play, I'm cool as fuck  
Half-million dollars on the truck, pullin' up  
Ayy, baybay  
Proolly cop another one, S5 - \$100K  
Zero cap, check my stats  
I never spoke 'bout ridin' it 'til I was actually drivin' it  
Postin' pictures inside it, enticin' them Instagram hotties  
I fuck with Shoreline Mafia, USSR choppas  
My most [?], I gotta hide it plain sight  
With a jacket on top it  
Try to attack, we'll drop stacks on top of your house, bitch  
Demolition company  
You ain't got enough money to run from me  
You ain't got enough money to stunt on me  
Real diamonds with real gold up my neck  
I'm one of them extraordinary gentlemen  
Millionaires in this bitch, money didn't make us rich  
But it made your woman do a whole lot of shit  
And I didn't even promise her a lil bit  
She was just happy to chill with  
Smoke some of this kill with  
Kick it, but don't post no pics, bitch

Mind on my money, and my money on my mind  
Tryna make a hunid stacks out a dime, yeah
