

Bag Talk

Curren\$y

Didn't mean to do you so dirty while I was ridin' that clean
Don't chalk another one up for the team

Uh, duffel bag, trash bag, body bag
Long as they full of cash, homie, bring me that
Smokin' fat at my South Beach pad, that's where I stash
Still on Texan Drive so my phone don't crash
Doin' dabs, ten thousand dollars worth of wax
Life is a blast when you roll around with Penn & Stack
Sixty-five Eldorado, my pretty Cadillac Diamond in the back
Feelin' like the original Magnum

When she gets all that money and then she takes it and gives it to some dude
I mean, I just can't figure that shit out

Didn't mean to do you so dirty while I was ridin' that clean
Go on and chalk another win up for the team

Talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, get to the bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
Im' talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, get to the cash, homie

Speedboat in the yacht, dock behind my house
In case we gotta escape, we can sail out any day
Somethin' in my heart by Michele in my sixth tray
Light up that pot, sun rooftop
Murder the lot without firin' shots
Paper is all I'm bout, hit me up later, baby girl or not
Either way, we still pop, jet lag
Got it hot at the night spot
A couple poogers, couple thots
Tryin' to ride away in my drop
But I'm chasin' that guap
Straight money knots, style of gold blocks
Countin' up in my vault, homie, leave it locked
Safety deposit box, a passport, no watch

I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, get to the bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, I'm talkin' bags, homie
I'm talkin' bags, homie, get to the cash, homie
