Went and got a Bimmer, yeah

Tell me, have you seen her? (Seen her, have you seen her?)  
She ridin' in my Bimmer (She ridin' in my Bimmer)  
Bitch, I heard you like Bimmers (Bitch, I heard you like Bimmers)

Homie reported his bitch stolen  
She not a hostage and he know it  
She tryna stay where she at, homie  
Swimming pool, I bought with rap money  
Stacks homie, on top of racks  
I bought a M6, it's triple black  
HRE sent a DM  
Talkin' 'bout sendin' me rims  
I copped 'em, they fit in perfectly  
I'm lookin' good, dodgin' potholes in the hood  
Somethin' like Superfly went through it  
Droppin' that new shit, chalkin' my pool stick  
Game room in my new crib with my new chick  
She ain't really mine  
She got a man, so she part time  
But her heart mine  
No, I don't pay her, no, nevermind  
'Cause I'm mo' focused on dollar signs  
Push-button start in my newest  
Sun roof on my four door coupe, that's  
Your BM in my BMW  
Smoke somethin', don't let it trouble you  
I'ma roll up two, I'ma pull up in a few, smash on you  
Then disappear like poof (Poof)  
Bitches'll ask you, tell 'em that I was the truth  
Dozen of them and they just like you  
But you're kinda cute, so  
I'ma do you different  
You gon' get the sedan pimpin'  
Fine leather in it  
Only makin' room for fly women  
Gas lit in it  
Shawty lookin' for a fire extinguisher

Bitch, I heard you like Bimmers (Yeah, yeah)  
So I went and got a Bimmer (Went and got a Bimmer)  
Tell me, have you seen her? (Seen her, have you seen her?)  
She ridin' in my Bimmer (She ridin' in my Bimmer)  
Bitch, I heard you like Bimmers (I heard you like Bimmers)  
So I went and got a Bimmer (Went and got a Bimmer)  
Tell me, have you seen her? (Seen her, tell me, have you seen her?)  
She ridin' in my Bimmer (She ridin' in my Bimmer)

I be pullin' up, she gon' roll it for me  
Slide, pick you up, I'm ridin' clean as fuck  
She got the Bimmer truck  
So cold, the heat is up  
I could slow it down  
I'd rather speed it up  
Hop in the cold, a real nigga  
Already know I'ma deal witcha  
Smoke some of this kill witcha  
Just want you keep it real with him  
She see me pull up in foreign (Yeah)  
She left her nigga, he boring (Yeah)  
I spent a check up in Barney's  
Across the world going touring (Yeah, yeah)

Bitch, I heard you like Bimmers (Yeah)  
So I went and got a Bimmer (Went and got a Bimmer)  
Tell me, have you seen her? (Seen her, tell me, have you seen her?)
