

Crazy

Curren\$y

Yup

I'm s'posed to wait for it to come around again?

Fuck it I'm gonna go now

Same shit different shoe stepping in it

Maintain my ground, still got a pivot

Still buy new rides and floss on these bitches

Nice guy but its known I roll with killers

[?] do nothing but rap

Play video games, fuck hoes, and eat fruit snacks

Any nigga thinking about putting an end to that

I'm sorry for you

My niggas gonna throw a surprise party for you

Bananas and pajama clips

Cartwheel you niggas, tumble set your whip

Haha

Just leave me alone

Let me rock my ice cream cones and bones

Let me hang with my skater friends and smoke out the bong

Let me chill with my Cali girl and watch Cheech & Chong

Club with my Miami girl all night long

Pose in front of the Superdome on the cover of Rolling Stone

By myself feeling like I'm in the zone

And the van's bigger than you niggas home

Lil shorty, nigga I'll stop your glory

Glass jaw you niggas like an empty 40 sporty

Whatchu niggas want to hate for

You can get cracked in the head with a skateboard, crazy

Them bitches say Spitta you crazy

But at the same time they want to have a niggas babies

Haha

Bang

I shot should separate the rose gold from the copper

Hot Spitta nigga I'm a motherfucking monster

Fucking with me you gonna need a designated driver

To drive you to the doctor

When I pop you with them llamas

Blacka

Niggas know that I am an old soul and a true G

But I still got them peanut butter Guccis

Lug sole with the gold buckle

I might buy them [?] on my Source cover

[?] brother, that nigga is so gutter

Don't stutter nigga speak on what you feel

But if I think you tripping we gon' pop up with that steel

Haha

You niggas know I'm not playing

Ride a yellow Grand National on 20 inch Dayton's

My bottom bitch keep a strap on her for niggas that be hating

Talk that shit I bag it up

Bring it on I'm gonna be waiting for you

Homie I ain't got no patience for you

Tell the Times [?]
