In the storage department of the new Benz buggy
I'm at a point in my life where I'm like "Fuck it"
I see it and I want it, I get it, it's just money
I play the Gucci rainboots when it's muddy
Leave double G prints, haven't seen a G since
I left the scene with my team
Niggas seem squeamish, holding on their stomachs like they're sea-sick
Bitches can't believe it, niggas can't take it
Lemonhead white tick-tacks on my bracelet
I flash my ring, you steppin' on your brace bitch
'Cause y'all know yellow lights mean slow down
We in the club taking shots, gettin' tore down
Fuck around with me you taking shots from the [?]
Clowns don't believe you a mobster
Til they start seeing their homeboys in trunks like a boxer
Clowns say you hotter than Spitta, you probably right homes
I can't be hot, I got too much ice on, yeah

Every hood and every ghetto make it do what it do
