Drone Footage

They gonna need drone footage to really get to it These coupes is movin' Through busy traffic they maneuverin', like it ain't nothin' to em As a youngin, I was inducted into a serious unit The training was grueling Mafia grooming, schooled on how to be the Don So when I got on one day, I'd be used to it and know what I'm d oin' Cause the stakes is high and nowadays you get killed from looki n' stupid From like all the other way, shooters in bushes with rifles lik e [?] Infrared goggles and all kind of Call of Duty shit They tryna take you off of here And I'm online ordering an office chairs Get high all the time off the California finest No I don't own Balenciagas, but all of my weed designer Every [?] night lemonade, cold vodka and sprite I get what I like Blowin' one hunnids all night and making it all back tonight This is the life
