Bulletproof the windows, give me the fog lights Riding with this lady tiger, all night Rollie on my left, because my money always right Created a legend with my life, and I'm still going Coming down still holding Steering wheel wood and my rims golden Foreign scrapers to operate you need a translator Interior laid you would think I hired a decorator Spectators waiting to watch, anticipate each shot From the top of the key, might stop and pop for 3 That's me balling division 1 stunt at summer league Park them big ass Hummers on the court, torch weed I get money where the Porsche's be Rapple it, stash and repeat, cause I'm an athlete Training to maintain ready to compete These keys being released into the street Fiends can't sleep they listen til' they O.D It's the sweetest thing but at the same time it stings Cash and diamonds got these peasants pretending to be kings It ain't hard to tell, them diamonds real but they rating very low on the scale That's not clarity, that's just embarrassing What type of jeweler carry those things?

Uh, look

We don't move unless the money right and that's law Everything in motion we ain't slowing down for none of y'all Everything I'm smoking come from the High Times Awards Burning en route, that way I know I'm high when I'm on board 100 thousand on the floor, you gotta walk right You gotta make sure your pimping strong at all times Lean with the Sprite, marinite my ice If I got you in my circle then I expect you to ride Court in the morning and I probably don't arrive You know one thing niggas never on time Reputation on the line, well known in these streets that I ride Well off Jet, Free C-Style I could smoke a whole jernt in a mile You could smell it through the plastic right now Yea I'm strapped if you asking right now So be careful what you asking for I two-piece your homeboy then I smack your hoe I brought like 50 grand with me to the corner store I be up in the same spot if you wan' come for more My foot on they neck, making it real uncomfortable Don't be coming around talking 'bout something you dont know Speak when you spoken to
