

Highest In Charge

Curren\$y

Four million dollars in cars all parked sideways
Joint big as a Cuban cigar, smoke in my driveway
I'm like the highest in charge
Bitch, I'm the highest in charge
Ho, I'm the highest in charge
Nigga, I'm the highest in charge
Four million dollars worth of cars, they parked sideways
Joint big as a Cuban cigar, smoke in my driveway

Car exotic, smoking tropic
You call that za, it's really garbage
Crack in the pot, the way I write it
I'm a sly, count this money with my lil podna
She keep it real, she a rider, I trust her, I got her
Don't hit the club with her, make a hundred bodies
I fucked only a few of her podnas, I don't think she mind it
I fuck with her 'cause she a hustler, not for her body
Took two shots, hopped in the Coop and I removed the top
I hit the traction button then I fucked
Four million dollars in cars all parked sideways
Joint big as a Cuban cigar, smoke in my driveway
Nigga, I'm like the highest in charge
Bitch, I'm the highest in charge
Ho, I'm the highest in charge
You looking at the highest in charge

Four million dollars worth of cars, they parked sideways
Joint big as a Cuban cigar, smoke in my driveway
I'm the highest in charge
I'm the highest in charge
I'm the highest in charge
I'm the highest in charge
