

## Landed

Curren\$y

Bitch I ain't pull up, I landed  
They say I'm not from this planet  
Shit going just how I planned it  
Put a lil away for the families  
Stacking my bread like a sandwich  
Saving my face from them cameras  
Situations could get scandalous  
When niggas feel like they embarrassed

Your bitch fucking niggas for status  
Girl, that's the one you should be mad with  
That's a panamera not a camera  
A cranberry not the fabrics  
Front to valley flashing hazards  
In the lobby bar smoking gasses  
My watch worth twice what your advance is  
Or try to play me on no rap shit

Bitch I ain't pull up, I landed  
They say I'm not from this planet  
Everything going how I planned it  
Put a lil away for the family  
Stacking up bread like a sandwich  
Saving my face from them cameras  
Cause situations could get scandalous  
When niggas feel like they embarrassed

I used to live in Miami  
Fall asleep stoned on the balcony  
Me and my homie smoke rapper weed  
I'm the one coined the phrase rapper weed  
I'm the one 'fuck it, we ain't gon' get into that  
You can smell the shit strong and it's still in the vacuum pack  
Woke up this morning said told myself self 'it's time to get the bag'  
Wouldn't have went to sleep that night used a half a million as a [?]  
Wouldn't have said it, if I weren't with it  
I don't care like them sucker niggas  
In a matter of minutes gon' get it  
In a couple more I'm showing up in it

Bitch I ain't pull up, I landed  
They say I'm not from this planet  
Shit going just how I planned it  
Put a lil away for the family  
Stacking my bread like a sandwich  
Saving my face from them cameras  
Situations could get scandalous  
When niggas feel like they embarrassed  
Bitch I ain't pull up, I landed  
Bitch I ain't pull up, I landed  
You ain't never seen this, don't know what this is about  
Might not ever be released, they just want me to try out  
Bitch I ain't pull up, I landed  
Bitch I ain't pull up, I landed  
You ain't never seen this, you don't know what this is about  
Might not ever be released, they just want me to try out

Put a lil away for the family  
Staying away from them cameras  
This a panamera not a camera
