

## Motto

Curren\$y

Hustle all day I'm a make sure that we straight  
Every nigga with me feeling the same way  
Money and the power and a nice place to stay  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way

Cruisin' in my low rider I be vibin' to Groovy ass oldies is all I play  
Playa ass tunes is all I make  
Coolest nigga in the room who been getting the cake  
See me in my box chevy we could No raggedy sounds ain't no rattling plates  
Got it out the mud trapping off them mixtapes  
You started happenin' overnight that was a mistake

Hustle all day I'm a make sure that we straight  
Every nigga with me feeling the same way  
Money and the power and a nice place to stay  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way

I got some brand new 6 by 9's in my car door  
100 spokes Dayton cross laced triple gold  
Candy dripping off it like a runny nose  
Had two 10's and a beam I just got a 4  
I be grinding for that money gotta heavy load  
Same hustle same trap just got a better stove  
All gas no breaks I'm running through them O's  
I relapse in this bitch I'm finna pour a 4  
Dapping for designer what my niggas on  
My lil cousin doing 20 he just want a phone  
For that money and that power be all in your home  
I thank the Lord everyday I get to swing a pole

Hustle all day I'm a make sure that we straight  
Every nigga with me feeling the same way  
Money and the power and a nice place to stay  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way

What the fuck you thought  
I been a boss since the start  
Never falling off, sports cars racing movie stars  
Grind hard, word to my dog Lito  
Ferrari 430 in my South Beach clothes  
Walking in the spot, standing on the couch  
Valet parking lot 10 million dollars worth of drops  
10 strong, we in playoff form  
Going to the Finals, leaving suckas behind us  
High off the finest vines when you find us

Never in your life will you find a crew like us  
Watch me turn this batch into a Bentley  
And I don't even need another Bentley, you feel me?

Hustle all day I'm a make sure that we straight  
Every nigga with me feeling the same way  
Money and the power and a nice place to stay  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way  
Every nigga with me feeling the same way  
Every nigga with me living the same way
