## **Never Stop**

Yeah... Damn... Crazy how much time... Yeah...Huh

Cold champagne pop, gold chain full of rocks Rubber band money knots, pray it never stop We stay on the money route, got the hardest Chevy's out We was ready, they was not, pray it never stop Cold champagne pop, gold chain full of rocks Rubber band money knots, pray it never stop We stay on the money route, got the hardest Chevy's out We was ready, they was not, pray it never stop

Watching Bel Air in my house Bitches naked on the couch Moonwalking, Gucci socks, tell my woman get a watch Bust down 'cause it's hot so I brought the ice out Imma cool on the block, cruise when my top drop Bullshit we will stop but I know its not Your new shit just flopped so you going pop Underground never let me down its all I got So if I never said thanks let me say it now

Cold champagne pop, gold chain full of rocks Rubber band money knots, pray it never stop We stay on the money route, got the hardest Chevy's out We was ready, they was not, pray it never stop

Watching Bel Air in my house Bitches naked on the couch Moonwalking, Gucci socks, tell my woman get a watch Cold champagne pop, gold chain full of rocks Rubber band money knows pray it never stop

Didn't do it by myself I did it with my time Now I got the crew with diamond and my roll a crime Three cubes of ice in a glass of brown Let the class begin, Spitta on smash again To live flashing this you really gotta want it If you gonna strike it rich My pinky ring dripping honey on a bitch Spitta looking like money anywhere I am 23's on hand, brung the beach to the sand Imma reach in the pan, pull out a lil' piece Just to feed the whole fam with the aw man Whole block say you hot been running your mouth Shooters circling around your house you scared to come out You don't wanna be the one that the news about Meanwhile I'm on the lot checking coupes out Finna test drive see how much the coupe got I love that, I'm about to pull the loot out

Cold champagne pop, gold chain full of rocks Rubber band money knots, pray it never stop We stay on the money route, got the hardest Chevy's out We was ready, they was not, pray it never stop

## Curren\$y
