Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog

I'm not no hater, but ain't no nigga gonna shoot you straighter
That nigga you been sliding with ain't about no paper
He just wanna be famous fool that's why you out here hanging
Don't you know it's dangerous, hunting season
Squares is ducks and deers you stranded and you stranger
Your chain about to be a souvenir
Young homies been begging me for that green light
I push that button I can turn this shit to fright night
Connected, protected, respected, we veterans
The best men, trophy getters, alphabets is on our letterman's
BBC t-shirt ice-creams two pinky rings my plain jane rollie
Enough ice in my trunk to cool a hundred drinks
Cubanlinx in my bracelet, orange juice was our chaser
Took a couple shots before she demanded I take her
You not equipped to break her, you not equipped to make her
Into a bottom bitch who could run the whole stable

Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog

Now this one to the niggas who be always high sided
Flexing on the gram like last night we was wilin
Living at your moms wearing other niggas diamonds
Taking pics with rappers thinking they gonna co-sign them
Homies in the hood laughing like you Hollywood
And you gonna say they hating but don't get misunderstood
Last time they ran your name nigga shit ain't all good
Said you never come around, man that nigga just a clown
He gonna do what he can to look like he really down
Stay true to the game, something like cube said
You lost love with the homies thinking you was way ahead
And them niggas you with ain't never gave you no real bread
Used to floss on niggas every time you passed by
Never stopping in the hood, acting like you too fly
Change on a nigga that you did your shit with
Wifed up a bitch that the whole hood flipped

Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
Payback is a dog, dog, it's a dog
