

Picking Up Bags

Curren\$y

Picking up bags, picking up bags
Smoking that gas picking up bags
Popping tags picking up bags
Got the hood on smash picking up bags
Smoking that gas, picking up bags
Yeah yeah picking up bags
Hol' on

Money in the duffel
All result of the hustle
Reminiscing the struggle
Keep a nigga humble
Rolling up a jumbo
Associated with the pot like gumbo
Nigga name hot hear them haters mumble
Can't understand that talk, it's not boss
We killing in smalls, y'all niggas is not large
Tryna duck them hip hop cop cars
68 rare chrome these go knock off they know who it is
High as the ceiling, mind on a million
Just made 7M's tryna get 10 now
Then run the old heist again while them suckers ain't looking
Watch for the taking has just been taken

Picking up bags, smoking that gas, picking up bags
Popping tags picking up bags
The hood on smash picking up bags
Yeah yeah, picking up bags smoking that gas picking up bags
Popping tags picking up bags
The hood on smash picking up bags
Yeah yeah, yeah yeah

Shit realer than a pistol in a niggas face
Y'all gon' fuck around and make ya boy catch a case
The shit in me, not on me life way real
Only nigga on the block with a major deal
My set love me niggas know I'm really with the deal
We can keep it gentlemen or get some gangster shit
I keep it moving at all times while y'all standing still
Warren G I want it all talking hella mills
Regulating for the paper while y'all pocket watching
Free bands yeah all profit
In my future I see hella commas, jewelry going dumber
Millionaire this time next summer
My niggas burn more gas that hummers and keep hammers
With 30 round clips and bananas
Got bags where they film cut your grandma
I don't think you lil niggas understand cuz

Picking up bags smoking that gas picking up bags
Popping tags picking up bags
The hood on smash picking up bags
Yeah yeah, picking up bags smoking that gas picking up bags
Popping tags picking up bags
The hood on smash picking up bags
Yeah yeah, yeah yeah
