They said that we wasn't gon make it
They say we ain't have what it takes (I been had it, nigga)
I told em that I was gonna do it my way, I'ma make something shake (I'ma make that shit shake)
I heard that they said that we falling, my bank account say that we ballin (bitch we ballin)
They say we came up from the bottom, I say we came up from New Orleans

It been a long time coming, long time hustling, pockets stuffed with hundreds (getting to the digits)
I got no time for haters, getting to this paper, keep the bags coming (keep em coming, nigga)
Getting to this money, buzz back, buzzing back on bubble
Everyday I be making plays, Tom Brady out the huddle (touchdown)
I know you be pocket watching, I know you be pillow talking (I heard that)
All on Instagram, I know you a cyber-stalker (damn)
And we know you not really bout it, boy you just a carbon copy
Me and my niggas go kamikaze, pull up with choppers on Kawasakis
It's nothing for my hitters to catch a body
Nigga it's us verses everybody, finger on the trigger, I don't trust nobody
Circle small, only fam around me
No new friends, you can stay from round me
Pillow talking, yeah they tryna down me
Still pocket watching, tell em keep on counting

They said that we wasn't gon make it
They say we ain't have what it takes (I been had it, nigga)
I told em that I was gonna do it my way, I'ma make something shake (I'ma make that shit shake)
I heard that they said that we falling, my bank account say that we ballin (bitch we ballin)
They say we came up from the bottom, I say we came up from New Orleans

Money on my mind all the time, clocked in on overtime
Put it away for a rainy day, stunt on them hoes in the sunshine
More than a decade on the grind, I deserve these cars I drive
I deserve that crib I live in and them condos where I hide (hide)
Temperature rising and none of your partners is riding (riding)
Got to separate your self from the lame, go get money without em (money without em)
Get up and get outchea, don't get stuck just watching
New money get printed everyday, I'm stuffing a lot in my pocket
You just like to discuss shit, you don't really want to do nothing
That's why you'll never touch this, Rolls Royce with no roof on
Nigga all I do is come through in new shit
Chop game exclusive, scratch off with a few chicks (ay, ya)

They said that we wasn't gon make it
They say we ain't have what it takes (I been had it, nigga)
I told em that I was gonna do it my way, I'ma make something shake (I'ma make that shit shake)
I heard that they said that we falling, my bank account say that we ballin (bitch we ballin)
They say we came up from the bottom, I say we came up from New Orleans

Mo money, mo problems
I say mo money, mo power

Got a trunk full of powder, ain't talkin about Johnson and Johnson (Johnson and Johnson)

Making plays every hour, I tell them you need it I got it

Put a block on the counter, chop it like Mr. Miyagi (Mr. Miyagi)

I'm moving in silence, like Mary I don't want no drama

If it ain't about dollars, you nigga ain't talkin bout nada

On the road to the riches in this wide body Impala

I'm smoking on flowers, I swear this shit keeps me the highest

We come from the bottom, I'm the freshest they say I'm the flyest

I ride with the lama, kill the game like I caught me a body

Them bitches be flocking, they scheming, they plot on your pockets

I'm back with the squadron, got a check that I need to deposit (deposit)

They said that we wasn't gon make it

They say we ain't have what it takes (I been had it, nigga)

I told em that I was gonna do it my way, I'ma make something shake (I'ma make that shit shake)

I heard that they said that we falling, my bank account say that we ballin (bitch we ballin)

They say we came up from the bottom, I say we came up from New Orleans (East Side, nigga)
