

You niggaz is, cheap greens, artificial turf
Second in the presence of better, me first
Captain america, versus captain planet, I control the larger ar
ea
Super hero no cape, delta force in the third grade,
Now or later, basketball cards in my school pants
How to be a player, got to ask then you can't afford the movie
neighbor
Drop jewels like a buttterfinger watch maker
Money so old it deserve an in home caretaker
I been talking this shits for a minute, never been called out j
ust been called that nigga
I paid dudes and I tipped em' I ain't trippin
Check yo' prescription, linches I'm not pippen
We both scoring, but mines more awesome
Bitches called him, we smell the weed in the air jordans, yeah

Over land... sea.air, scratch it off the list after I been ther
e
Yeah, jets, everytime I drop bars the bar is reset
Stack change, and I didn't change, looking down on these fools
Balcony rap, I'm way too high for that, bullshit so save it nei
ghbor I'm on my paper

Bitch what you think this is, I only fucking twice, girl what y
ou think you did?
Ain't nobody throw rice, spitta, ninja, precise, slice
Overheat never, under pressure, sweat ice, what's pressure
I never felt pressure in my life, it's been a cake walk
Frosting on my nikes, don't let em' talk
Cut a hater wind short, chevrolet bowtie, tips on the end of my
exhaust pipe
Bitches at the window pray they hear that sound every night
But I'm out baby, you my home girl but this not my house lady
Can't go for that, [?]
Fall through, get the cut, clean up, change clothes,
Adherent to the jet code, you know how we roll
