

Sipping sake with Jay, I know he stay fly  
Got the answers to your questions like I'm AI  
Mother may I, school these little niggas how to do this getting  
cheese in my chicken like its Ruth Chris  
Double meat and on the money what's your blueprint  
Mines is sending hoes and getting to it  
Yah Cinderella baby wear it if the shoe fits  
Wednesdays daddy day I really do this  
Peaceful mind like I'm boolish, though wish nobody harm  
But run up on me and get noodled  
She in trouble if she come home acting zooly  
Make her walk the blade a week shit is ruthless  
Got her running tight shit we don't play that  
I be fucking off sipping lean though they hate that  
Shit ain't easy being me, Jay Worthy  
Cold P coming right up out the WSP Spitta

90 inches on the wall TV off but my game on  
[?] Foreign two seater slicing through rain storms  
Eastside Voltron, Transformer, Megatron, Rolls Royce, Wraith fu  
ll of [?]  
Which one you want, I got them both  
Parked on my lawn, bitches choosing up  
You jealous but you must respect the rules bruh  
She can't win laying up with them losers  
She trying to move up fool and  
You ain't even know how to use her or what to do with her  
She came to you with all the tools but you chose to snooze  
Got under your skin like a bruise, now you abusing all your rem  
aining hoes because you got a point to prove  
You probably be [?] the other two in a few, you'll be through  
The game ain't made for everybody and this is true especially f  
or you but stay cool dog don't panic find another hustle  
It comes natural cause we on side laughing at you  
Trying hard holding your chest and gasping  
We taking it easy and all you ain't even gassin'  
If I decided to really let you have it should it be tragic  
We in traffic, we slashing like behind the big passes  
Magic to Worthy, the classic story the winner's glory  
We wasn't scared to take a loss, that's why we won  
They can't divide us cause we riders [?]  
Retract my roof and feel the warmth of the sun  
Don't even feel like we some niggas on the run  
Feel like we on a vacation, forgot the crime we done
