

## Specialist

Curren\$y

Yo turn it up a little bit  
Eastside  
Uh

At the point that I've grown to  
Niggas ain't worried 'bout fucking these hoes  
Only concern is dough nigga, how to get more  
And I just threw a set of all golds on the four  
I just pulled a fresh batch of that out the stove nigga  
Just installed the new safe in the floor  
I gets involved with the results in the score  
Tight specialist, gold medalist, all pro

Write medicine, steppin' jones, three elephant prints  
In a '64 with a sixth sense  
All I see is dead presidents making the world spin  
Simp ass nigga got back with that girl again  
Emotional roller coaster ain't go the frame bent  
Can't focus on goals, can't clutch the win  
Don't care which side you with, nigga this L gon' fit  
You fell for that bitch, choose wise staying alive  
Reppin' my side and staying outside

The point that I've grown to  
Niggas ain't worried 'bout fucking these hoes  
Only concern is dough nigga, how to get more  
And I just threw a set of all golds on the four  
I just pulled a fresh batch of that out the stove nigga

Moving slow in my rag though  
With my chrome bumper dragging the flow, lane fashionable  
Bitch what's your area code, I got places to go  
And big faces to blow  
She roll big faces with rose draws, inhale blow  
Couple grand up her nose, its the life that she chose  
Help her forget what she did  
Help her stay up all night to cop that whip  
Independent bad bitch with a habit, they come a dime a dozen  
Little youngin' you can have them  
I'm in the Mercedes wagon out in Aspen  
Fish-tailing in the snow  
Making the back spin  
Had to front with that paper I get  
Show them niggas how to stay real, stay rich  
Stay way way away with that fake shit  
Show them niggas how to stay real, stay rich  
Stay way way away with that fake shit

At the point that I've grown to  
Niggas ain't worried 'bout fucking these hoes  
Only concern is dough nigga, how to get more  
And I just threw a set of all golds on the four  
I just pulled a fresh batch of that out the stove nigga  
Just installed the new safe in the floor  
I gets involved with the results in the score  
Tight specialist, gold medalist, all pro  
Motherfucker you know

[?] Chevy on switches  
Smokes weed in it  
And I wouldn't talk about it if nigga didn't live it  
If you need to see it you can come visit  
If you don't believe me then ask one of your bitches
