

Spring Rolls

Curren\$y

The restaurant was closed. They seen it was us. So they opened doors,
drinks was cold
She ordered the duck. I had the spring rolls. She had to play a role
I need an extra set of eyes tonight these niggas known for being slic
k post to meet them up in here 945
We in the neutral zone was post to come alone
But baby one of a kind
I'm sure them fools won't mind
She on that killer time
She adding to my grind
Intel from enemy lines
That I can't get behind
See pillow talk then cost the fool his spot in line

This ain't the first time nor is it the worst time
For families in the line
From slinging nursery rhymes
No kids allowed inside
Just marijuana vines
Deal did, pedal math down tie skid on the other side of town like I d
isappear
See me in traffic at 4 I'm in Miami at 10
Back and then know my retail store open at 10 a.m.
Nigga, no sleeping in that's why I don't eat like them
Grubbing when I won't they settling for crumbs again

The restaurant was closed. They seen it was us. So they opened doors,

I need an extra set of eyes tonight. These niggas know

Without cheese on the pizza
I still got the bread and I keep the stars the work so pure they can'
t sleep it off
The plan is to push the east-
west south even the north best luck is a retainer if you get caught
No courts, no shorts. No loss. I'm sworn in the cartels. That is the
boss. Yeah, he was
I had to call the MD and swap it for chicken likely lace my weed with
kief
Adam McCallum 25-year-old scotch ball
Timmy can you make it neat?

If you the circle premises
At least they leavin blemishes
I want our territory wrote yourself into our story using nemesis
Can be long-winded when it's all business staying on this side
They call get it
Negotiate, I let the law fix the price is kung-fu, we can all kick it
