

Smokin' on my 9 to 6, I'm bumpin' on triple six
I got Daytons triple gold, trappin' nigga pockets swole
Burn a O, this ain't trader smoke, this is rapper dope
Chasin' dough, ain't chasin' no hoes, be slammin' Chevy doors
Pimpin' in my game, all I wanna do is swang
Just redid the paint, that shit look like when it rain
I just hit the dice and got enough to buy a chain
I'm the type to hop out in the Dickie fitted mink
Flexin', what you think? Big bank take lil' bank
Super Bowl my ring, choosin' name my game
Lil' ho, don't lie on my name, please stay in yo' lane
They get crooks and they next, they look up to the planes

Pimpin' in my game, all I wanna do is swang
Just redid the paint, all I wanna do is swang
Pimpin'-pimpin' in my game, all I wanna do is swang
Flexin', what you think? All I wanna do is swang
Pimpin' in my game, all I wanna do is swang
Just redid the paint, all I wanna do is swang
Pimpin'-pimpin' in my game, all I wanna do is swang
Flexin', what you think? All I wanna do is swang

The body man text me, he done with my Chevy
I'll come over directly after I eat breakfast
I saw it laid out correctly, drippin' clear as wetted
And a week before that we redid all the leather
My carpet fresher than a Snoopy iceberg sweater
I got a zip in my 'Lac, smellin' like twenty packs
At the stoplight on three wheels, oh, he's real
Don't bring that ho around me, I heard she steal
My bitch just wan' fuck, she don't need pills
She like good to go, we in my '64
This ain't my only Impala, I got a dozen mo'
My concert check like a zip code, yeah bro

Pimpin' in my game, all I wanna do is swang
Just redid the paint, all I wanna do is swang
Pimpin'-pimpin' in my game, all I wanna do is swang
Flexin', what you think? All I wanna do is swang
Pimpin' in my game, all I wanna do is swang
Just redid the paint, all I wanna do is swang
Pimpin'-pimpin' in my game, all I wanna do is swang
Flexin', what you think? All I wanna do is swang
