New driveway at the crib seven Bentleys on it  
Smoking looking out the window dropped a tear this morning  
Told her baby girl you don't want me I'm boring  
She said she boring too and she understand my story  
Ignoring my phone seven rings Robert Horry  
Cheapest car in front the studio cost 140  
Got a QP in the sprinter  
Bitch called out of work for a week so I could bring her  
Civilian bitch dressed to kill look like a singer  
TMZ called about my mystery woman  
Rarely on TV I'm always into something  
Got my charged up homies with me tonight they don't want to hear nothing  
About niggas approaching me or shorting me money before I finish this sentence  
Saying do it they done it  
House shaking cause my car running  
Outran them off road in a black Hummer

Not the typical sex symbol my hustle make the women horny  
Baggage claim collect my things  
Wearing the Fila sweatshirt and one of my favorite chains  
I remember car services in the rain  
I remember shrimp and grits and Champagne  
I can't remember mama name but such is life  
And this the motherfucken game

Rolexes for the shooters, Porsches for the lawyers  
Take care of the ones that make it happen for you
