

High As A Kite

Current Swell

Hi friend
Remember the time
We jumped the fence for a swim late at night
The cops came and we ran for our lives
Holding our clothes
I'm telling you, we had it just right

Cause when we get together
Nothing good comes about
Feel the push on each other
I'm a little bit older now
Kids are standing tall
Wish you could come along
Somebody like us
Being alive
Being alive
La da da da la da da la da da da da
Being alive
La da da da la da da la da da da da

Calling
Open your mind
Pick up the phone
Come and shine your light
I'm driving
Something inside
Says to pick up the fight
These are the choices you can't get back

Cause when we get together
Something good comes about
Feel the pull on each other
I'm a little bit older now
Kids are standing tall
Wish you could come along
There's nobody like us
Being alive
Being alive
La da da da la da da la da da da da
Being alive
La da da da la da da la da da da da

Being alive
La da da da la da da la da da da da
Being alive
La da da da la da da la da da da da
Being alive
La da da da la da da la da da da da
