

O.D. II

Current Swell

Tossing and turning I can't get back to sleep
Tossing and turning I can't get back to sleep
In trouble with the law again this time I
Think I'm in too deep

It wasn't my fault I said just trying to have some fun
It wasn't my fault I said just trying to have some fun
Oh what's the problem officer
I ain't hurting anyone

So you know it's not right you to my house
And break down my doors
So you know it's not right you to my house
And break down my doors
So I hope to God I'm standing there
The day when you finally get yours
I say that I hope to God I'm standing there
The day when you finally get yours
And you'll get yours
