

Red Shag

Current Swell

I can't predict the future but I aint going to use and the present is where we're bound
and my life style might not just suit you now and my time line might not just hold you down.
but I saw you at the east bay market at the cafe on the shore
and we took it to my red shag carpet of my house on my bed room floor.

So easy so nice
When you're rolling around
I hope you know I'm not the one that kept you here.
So easy so nice
When you're holding me down when I role the dice I bet against you dear.
I know in my life aint no tricks up my sleeve I know she's the one I'm deemed to pleas.
I know she wouldn't of lied but the girl if you ask she would have oblige for a drink. (YA YA) for a drink (YA YA)
