We Will Run

Current Swell

We would run, we would run
We would run, we would run

When we were young
When we were young

I should get off cause I feel I just met you
I got on the bus in Alabama but I'll get off anywhere
It's funny how sometimes your life can surprise you
And you end up doing things you never thought you would do

When you were young
When you were young

If you're gonna do it might as well go the whole way
Find out for yourself and forget what they all say
Stay up late ignore those heavy eyes
Never be ashamed, ashamed of the sunrise

When you are young
When you are young

Hold my breath it keeps on passing
Feels like I've already been lapped again
Hold my tone, don't know where I'm going now

So we run
So we run
