

Am I Not Yours?

Cursive

Who's your school friend?
He left you some messages
He'd love to see you again
Thinks your ideas are brilliant and
Since you've been going out for coffee with him lately,
Is he a pretty good looking guy?
Jealousy
Jealousy
Am I
Am I
Am I
Not yours
Not yours
Not yours
We stopped for some alcohol,
And you stayed in the car.
The bars had gotten out
That line was so long
And I saw you over on the payphone
So I was thinking who do you ever call at 1 am
I wonder who that was.
Jealousy
Jealousy
I am
I am
I am,
Not yours
Not yours
Not yours
We lay in stillness
I stare at our ceilings you're not sleeping
You're not breathing heavily and
I know when you're sleeping you breath so softly on my neck.
Jealousy
Jealousy
I am
I am
I am
Uh huh
Uh huh
Uh huh
