

# Bloodbather

Cursive

Once in my life  
I'd like to take the gloves off  
I'm up for a fight  
My nagging mind won't shut up  
I can't stand the head shake and finger wag  
I'd like to sock my piety in the eye  
Once in my life

Once in a while  
The bottle hits me too hard  
And just like a child  
I tear my conscience apart  
I should hold my Jiminy Cricket dear  
Still, I dream of choking him in my bile  
Once in a while

Fuck that, there's gonna be a blood bath  
(Dear boy, disembowel the foul noise)  
Fuck that, there's gonna be a blood bath  
(Dear boy, disembowel the foul noise)  
Fuck that, there's gonna be a blood bath

Water your vitals and walk it off  
Don't light yourself on fire when your world is fine  
For once in your life

Fuck that, I'm swimming in the blood bath  
(Dear boy, disembowel the foul noise)  
Fuck that, I'm swimming in the blood bath  
(Dear boy, disembowel the foul noise)  
Fuck that, I'm swimming in the blood bath

Life's an abscess or apple pie  
So shut those demons up and devour your slice  
For once in your life

I don't want to be a crass prick  
I'm trying to give a shit  
Trying to tame this selfish sadist  
But it's a beast and it's not having it  
A brass bull in a china cabinet  
I'm a creature of bad habits  
With two hooves in the casket  
I don't fit in this photograph  
I'd like to get my visage back  
Flimflamming like an acrobat  
Every scumbag needs a blood bath  
'Bout time I take my swan dive  
Once in my life  
Once in my life  
Once in my life  
Once in my life

Fuck that, I'm drowning in the blood bath  
Fuck that, I'm drowning in the blood bath
