

What the Fuck

Cursive

All the shit I ever thought I'd ever do
Escapes my grasp
Like a handful of sand
Gone, the dumb dreams I once had
Gone, the wellspring that never was
What the fuck

I used to think eternity was owed to me
Getting messed up
On I don't know what
Gone, the pulsing endless nights
Gone, the blinding strobe of love
What the fuck
What the fuck

Yeah, yeah, it's a privileged existence
And yeah, yeah, I am such a lucky guy
Still, I'll bitch and moan with insistence
I thought there'd be more time...
Fuck my life

Anyone I ever thought I'd ever be
Is walking round
Like they own this town
Some are old friends
Never again
I can see my enemies
Standing right in front of me

I can't believe
I'm holding out for something sweet
I don't seem to be
Learning a thing
Gone, the lemonade stand of youth
Gone, the fallback of failing up
What the fuck
What the fuck

Yeah, yeah...

What the fuck
What the fuck
