

## Forever More

Curtis Harding

I can't keep my cool with you  
I been playing the fool it's true  
There has to be some rules  
Between us two  
I can't keep my cool

She's wearing a different suit today  
Dressed up for the games we play  
See the words around town  
I can't put you down  
I can't keep my cool

You're just so beautiful  
And I'm really sure  
The feeling is mutual  
Forever more

I've been stuck in a mood today  
Tired from the games we play  
See I want you to stay  
What more can I say  
I can't keep my cool

She's wearing a different suit today  
Dressed up for the games we play  
See the words around town  
I can't put you down  
I can't keep my cool

You're just so beautiful  
And I'm really sure  
The feeling is mutual
