

Surf

Curtis Harding

Time's running out y'all
Playing games in a dark room
Get ready, 'cause the future's coming soon

Well, there's a fire in the building
You better run out, grab your children
On the way down, warn your neighbour
But never mind my bad behaviour

I got a list of things I need
And I got a [?]
[?] run away
Gotta go, can't stay

Oh (Oh)
Oh (Oh)
Oh
Oh
Oh (Oh)
Oh (Oh)
Oh
Oh
Get 'em

Leave all of this
Fools are smartest
Hey you've gotta say your prayers
Get ahead, pass the test

Well, baby leave it ain't real
Hold your high heels, don't feel
You can sleep, ah, anyway
Gotta go, can't stay

Yeah, there's a fire in the building
You better run out, grab your children
On the way down, warn your neighbour
But never mind my bad behaviour
Said never mind my bad behaviour

Oh (Oh)
Oh (Oh)
Oh
Oh
Oh (Oh)
Oh (Oh)
Oh
Oh
