

Marie

Curtis Stigers

You looked like a princess the night we met
With your hair piled up high, I will never forget
I'm drunk right now, baby, but I've got to be
Or I never could tell you what you mean to me

I loved you the first time I saw you
And I always will love you, Marie
I loved you the first time I saw you
And I always will love you, Marie

You're the song that the trees sing when the wind blows
You're a flower, a river, you're a rainbow
Sometimes I'm crazy but I guess you know
And I'm weak and I'm lazy and I've hurt you so
And I don't never listen to a word you say
When you're in trouble I just turn away

And I love you, I loved you the first time I saw you
And I always will love you, Marie
I loved you the first time I saw you
And I always will love you, Marie

~~~~~♪♪♪ ~~~~~

I loved you the first time I saw you  
And I always will love you, Marie  
I loved you the first time I saw you  
And I always will love you, Marie
