

# The Way You Look Tonight

Curtis Stigers

Some day, when I'm awfully low  
And the world is cold  
I will feel a glow just thinking of you  
And the way you look tonight

Lovely, with your smile so warm  
And your cheeks so soft  
There is nothing for me but to love you  
And the way you look tonight

With each word your tenderness grows  
Tearing my fear apart  
And that laugh that wrinkles your nose  
Touches my foolish heart

Lovely, never, never change  
Keep that breathless charm  
Won't you please arrange it?  
'Cause I love you,  
And the way you look tonight

'Cause I love you,  
And the way you look tonight  
Just the way you look tonight
