

# This Life

Curtis Stigers

Riding through this world all alone  
God takes your soul, you're on your own  
The crow flies straight, a perfect line  
On the Devil's Bed until you die

This life is short, baby that's a fact  
Better live it right, you ain't comin back  
Gotta raise some hell, 'fore they take you down  
Gotta live this life

Gotta look this world in the eye  
Gotta live this life until you die  
You better have soul, nothing less  
Cause when its business time, it's life or death

The king is dead, the light goes on  
You'll lose your head when the deal goes down  
Better keep your eyes on the road ahead  
Gotta live this life

Gotta look this world in the eye  
Gotta live this life until you die
