Mistakes

Curtis Waters

Eyes lay low and I'm stressing out
Five missed calls yeah I let u down
My phones off it don't make a sound
I'm offline no I can't be found

Seen you call 5 times hit do not disturb
When I see you irl don't say a fucking word
Spend my life on FaceTime that's so regular
I might smash my fucking phone
Hey hey hey
Mistakes
Made a lotta motherfucking

I don't even miss you bitch
I Miss sex

Can you stay the fuck off of my line
Never call me back you just decline
Hit the plug contact for a high
Sent you drunk texts just for fun

Ahh call you back
