

PETTY

Curtis Waters

I said, bitch, get ready
When this shit drop, get sweaty
Y'all done fucked up, I'm petty
My shit blowin' up, confetti
White bitch got ass like Betty (White)
Might break her back, get steady
I've been that guy already
Y'all done fucked up, I'm
Y'all done fucked up, I'm
Petty (Petty), petty (Petty), petty (Petty), petty
Y'all fucked up, I'm
Petty (Petty), petty (Petty), petty (Petty), petty

You bet that my bitch wet
You bet that my dick slant
I'm givin' her peak performance
Now look how them hips bend
I'm rippin' her fishnets
She grippin' and kissin' neck
Now she got the pussy to die for
I might pay the bitch rent (Bling)
I'm sick of the names, sick of the games
Sick of the disrespect
I might just move out to the mountains
I ain't finished the mission yet
I'm done with the dance, I ain't shakin' hands
Shit, I'm tryna disconnect
They say I'm the prince of Nepal
It just ain't official yet

Bitch, get ready
When this shit drop, get sweaty
Y'all done fucked up, I'm petty
My shit blowin' up, confetti
White bitch got ass like Betty (White)
Might break her back, get steady
I've been that guy already
Y'all done fucked up, I'm
Y'all done fucked up, I'm
Petty (Petty), petty (Petty), petty (Petty), petty
Y'all fucked up, I'm
Petty (Petty), petty (Petty), petty (Petty), petty

Ayy, I do what I want, okay
'Cause I never could listen to nigga who money too short
At the end of the day
Slay, you stay hatin' on me, lame
And you go and just copy the shit that I do
In hopes that we is one of the same
That bitch, she too damn petty
Ain't no sauce on my spaghetti
But it can get realer than image on Getty

Got fur on the boots, got the heart of a yeti
