Toxic  
Yeah she say that I'm Toxic  
Block me  
Cause my feelings getting rocky  
Coffin  
Yeah I'm looking like a zombie  
Fuck your new dude  
Yeah he shop at Abecrombie  
Saw me  
Last month at the Roxie's  
Stop me from feeling like a dummy  
Hobby  
Yeah damn I need some hobbies  
Running through my mind like bolt when he's jogging

Yeah the summer ends and I'll probably never see you again  
Yeah it's fucked up  
Heard you moved on had some fun with some of your friends  
Tough luck  
Miss your dog and your mom drinking wine holding hands in the rain  
Now it's all gone  
Just some memories on my brain it's a part of my pain  
Fuck love  
Move out of my Momma's house  
Stack up get rich on my bank account  
Promise ring that I gave and it's whereabouts  
All the things that you said used to calm me down  
Coming down to the states, yeah I'm coming down  
Could I look you in the face if I saw you now  
All your past mistakes, they seem funny now  
Funny how shit changed  
Could you love me now  
Could you love me now  
Could you love me now

Toxic  
Yeah she say that I'm Toxic  
Block me  
Cause my feelings getting rocky  
Coffin  
Yeah I'm looking like a zombie  
Fuck your new dude
