

Dirty High

Curve

Please come over I need assistance I've taken something And I have little resistance
Cos mouth, you're dangerous And highly contagious You'll say anything Just to get what you want
I'm low, low, low, low I'm low, low, low, low I'm low, low, low, low I'm low, low, low, low
Lay down, stay down Lay down, stay down

I'm the least persistent I'm your callous prescription I can't eat, can't speak, can't sleep
Well that's my mental description

It's a dirty high It's an unclean high I taste as I go by Taste as I go by
Taste as I go by It's a filthy high It's an unclean high So give it a try give it a try
give it a try give it a try

Please come over I need assistance I've taken something And I have little resistance

It's a dirty high It's an unclean high I taste as I go by Taste as I go by
Taste as I go by

It's a filthy high It's an unclean high So give it a try give it a try
give it a try give it a try give it a try
