

Mission from God

Curve

Call me a colour That only appeals to you

Anyone it doesn't matter It's the easiest thing you could do

I've gone and messed it up Messed it up Messed it up Yet again

One more time One more time And you won't be my friend

Please don't, Let me down Please don't, Let me down

Life is just a series Of relative disappointments But I will be
waiting And my mission is to help you

I've gone and messed it up Messed it up Messed it up Yet again

One more time One more time And you won't be my friend

Please don't, Let me down Please don't, Let me down
