

## Pinball Lez

Custard

Pinball Lez is shackled up  
With Nan's girlfriend  
Reconditioning pinballs  
He farms them out again

The word on the street is suggesting  
Things aren't so great  
At the St. Lucia residence  
Things are pretty quiet at night

And no-one seems to be  
Answering the phone  
Oh Lez come home (Leslie!)  
The pinballs need you  
Oh Lez come home (Leslie!)  
I promise the school-kids won't tease you  
Oh Lez come home (Leslie!)  
The cops will understand everything  
Oh Lez come home (Leslie!)  
The casinos are rigged to beat you

Lez has given up  
He's moving out to Stanthorpe  
Swidden agriculture  
Things are pretty quiet at night

Out in the fields today  
No-one seems to be  
Answering the phone  
Oh Lez come home (Leslie!)  
The pinballs need you  
Oh Lez come home (Leslie!)  
I promise the school-kids won't tease you  
Oh Lez come home (Leslie!)  
The cops will understand everything  
Oh Lez come home (Leslie!)  
The casinos are rigged to beat you
