Dark Corners & Mountain Tops

Cut Copy

Hey sun when the morning comes
End the night, keeps from seeing you
Now you take your time to make things shine
Warm and gold, but remind me to say to you

Without you, I wouldn't get far
Whatever you do, hope you remember
Without you, I wouldn't get far
Oh, love you best

Hey sun when the morning comes
End the night, keeps from seeing you
Now you take your time to make things shine
Warm and gold, but remind me to say to you

Without you, I wouldn't get far
Whatever you do, hope you remember
Without you, I wouldn't get far
Oh, love you best
