Teasing to Please (Left Side, Strong Side)

Cute Is What We Aim For

And so typically And so typically Soft, set back and perfectly dropped Tough and learn, and so perfectly taught I am as he does You are as she was And that's because And that's because But you never try But you never try Cause conflict and make your top pick Restitch my ripped jeans And take the old ones Take the old ones out back Sew them tight at the seams please I've got so many ripped knees, ripped knees

I'm selfish as selfish comes
You're giving me a run for my money
Honey

This is a hint that you take
And you pull and you find a way out of what you got yourself into
But when you try
But when you try to get out you'll never find
That most definitely I will be attracted to you
If you pick my left side
Because you know how we do, we do

I'm selfish as selfish comes
You're giving me a run for my money
Honey

Cause conflict and make your top pick
Restitch my ripped jeans
And take the old ones
Take the old ones out back
Sew them tight at the seams please
I've got so many ripped knees, ripped knees

I'm selfish as selfish comes
You're giving me a run for my money
I'm selfish as selfish comes
You're giving me a run for my money
Honey
I'm selfish as selfish comes
You're giving me a run for my money
