Cute Is What We Aim For

Whatcha got now, gonna, gonna give up Whatcha got now, gonna, gonna give up Whatcha got now, whatcha got now

We keep ourselves a mystery But we provide, provide the clues So the rest is up to you And don't forget to check the obvious We are so serious, so I guess it comes down To how curious you can be

Whatcha got now, gonna, gonna give up Whatcha got now, gonna, gonna give up Whatcha got now, whatcha got now

Drama doesn't follow me, it rides on my back I may be ugly but they sure love to stare Drama doesn't follow me, it rides on my back I may be ugly but they sure, but they sure Love to stare

And you check labels more than the FCC And these calories are, are killing me But this is a sticky situation So keep your chest in the game And drop your jaw, and coax me

Whatcha got now, gonna, gonna give up Whatcha got now, gonna, gonna give up Whatcha got now, whatcha got now

Drama doesn't follow me, it rides on my back I may be ugly but they sure love to stare Drama doesn't follow me, it rides on my back I may be ugly but they sure, but they sure

This is a party without the people This is a show without the sounds This is a dance without the steps Now I gave you the clues so find what I found

This is a party without the people This is a show without the sound Now I gave you the clues So find what I found

Drama doesn't follow me, it rides on my back I may be ugly but they sure love to stare Drama doesn't follow me, it rides on my back I may be ugly but they sure love to stare
