

Devil You Don't

Cxloe

If you knew, what's going on
Inside my, inside my brain
You'd shake from your, skin to your bones
You'd run a-, you'd run away

Till you're far from the, far from the universe
Somewhere that I couldn't hurt you

Better with the devil you know
Than the devil you don't
It's hard to put your hands on a ghost
You don't wanna... with me
Better with your enemy far
Than your enemy close
6 feet from me till the end of the rope
You don't wanna... with me

The devil you don't
You don't wanna... with me
The devil you don't
You don't wanna... with me
The devil you don't

If you saw, behind my eyes
All of the, all of the pain, it's a river
Painting a picture, you can't unsee
You'd run a-, you'd run away

Till you're far from the, far from the universe
Somewhere that I couldn't hurt you

Better with the devil you know
Than the devil you don't
It's hard to put your hands on a ghost
You don't wanna... with me
Better with your enemy far
Than your enemy close
6 feet from me till the end of the rope
You don't wanna... with me

The devil you don't
You don't wanna... with me
The devil you don't
You don't wanna... with me
The devil you don't

Better with the devil you know
Than the devil you don't
It's hard to put your hands on a ghost
You don't wanna... with me
Better with your enemy far
Than your enemy close
6 feet from me till the end of the rope
You don't wanna... with me

Better with the devil you know
Than the devil you don't

It's hard to put your hands on a ghost
You don't wanna... with me
(The devil you don't)
Better with your enemy far
Than your enemy close
6 feet from me till the end of the rope
You don't wanna... with me
